WILDCARD

You Pick!

Cards by Mishka Douglas. Print on cardstock if you can. Cut along the dashed lines; keep inside the dotted ones. Move used cards to the USED pile until the whole deck is gone, then shuffle and start again.

How to play

1. **Draw a Planner** At the beginning of the month, put each family member's name in the Pick Jar. Draw one name for the 4th Thursday.
2. **Draw a Card** The selected Family Worship Planner draws one unused card from the deck.
3. **Prepare** The Planner gathers any material needed and does whatever preparation the card requires. They do not have to lead the entire evening.
4. **Everyone Participates** The activity should include everyone. Keep answers reasonably brief so each person has a chance to contribute.
5. **Ask Why** When someone says they liked or appreciated something, ask: "Why?" The goal is thoughtful participation, not just one-word answers.
6. **30-45 Minutes** Aim for 30-45 minutes. If everyone is enjoying it, keep going!
7. **Move the Card** After using a card, place it in the USED pile. Do not return it to the active deck.
8. **Start Again** When every card has been used, shuffle the entire deck and begin again.

36 cards • 6 suits of 6 • also on the Family page at lamplightstudy.com/family/ as a digital deck with a Pick Jar and a used pile.
